

CURRICULUM VITAE

John Hartung, Ph.D.

Associate Professor of Anesthesiology

and

Associate Editor of the

Journal of Neurosurgical Anesthesiology

ADDRESS: Department of Anesthesiology
State University of New York
450 Clarkson Avenue - Box 6
Brooklyn, NY 11203-2098

TELEPHONE: (718) 270-1880 (Office)

E-MAIL: john.hartung@downstate.edu

EDUCATION

- 1973 **University of Pennsylvania** – Philadelphia, PA
Degree: Bachelor of Arts
- 1981 **Harvard University** – Cambridge, MA
Degree: Doctor of Philosophy

APPOINTMENTS

- 1976 Teaching Fellow, Departments of Biology and Anthropology, Harvard University
- 1981 Medical Laboratory Technician, Department of Anesthesiology, SUNY
- 1982 Instructor, Department of Anesthesiology, SUNY
- 1984 Assistant Professor of Anesthesiology, SUNY
- 1988 Associate Editor, Journal of Neurosurgical Anesthesiology
- 1994 Associate Professor of Anesthesiology (w/ Tenure), SUNY

SOCIETY MEMBERSHIPS

American Society of Anesthesiologists
Society for Neurosurgical Anesthesia and Critical Care
International Anesthesia Research Society
New York State Society of Anesthesiologists
Human Evolution and Behavior Society (Executive Council, 1989-95)
The Skeptics Society

UNIVERSITY SERVICE

- 1991 – 2008 Member, Institutional Animal Care and Use Committee
- 1998 – 2008 Chair, Institutional Animal Care and Use Committee
- 2004 – Present Professional Development Committee

TEACHING

- 1968 - 1970 United States Peace Corp - Ethiopia
Rural Development
- 1976 – 1981 Harvard University – Cambridge, MA
Anthropology and Biology
- 1982 - Present SUNY Health Science Center at Brooklyn – Brooklyn, NY
Department of Anesthesiology:
Principles of Statistics

INVITED LECTURES

- 1979 *Natural Selection and Inheritance of Wealth.*
Biology Department, Amherst College – Amherst, MA
- 1980 *Polygyny and Inheritance of Wealth.*
Biology Department, Amherst College – Amherst, MA
- 1981 *Polygyny and Inheritance of Wealth.*
Department of Anthropology, Vanderbilt University – Nashville, TN
- 1982 *Succinylcholine and Intracranial Pressure in Cats.*
American Society of Anesthesiologists Annual Meeting – Las Vegas, NV
- 1983 *Intracranial Pressure and Cerebral Blood Flow During Tetrodotoxin-Induced Hypotension.*
American Society of Anesthesiologists Annual Meeting – Atlanta, GA
- 1984 *Probability of Paternity vs. Grandmaternity*
Simian Seminar - Harvard University – Cambridge, MA
- Spotting Weak Statistical Inferences.*
New York State Society of Anesthesiologists Postgraduate Assembly – New York, NY
- 1985 *Matrilineal Inheritance: New Theory and Analysis.*
Simposio Modelos Biologicos de la Accoin Humana – University de Palma de Mallorca - Spain
- Does Nitrous Oxide Preclude the Protective Effect of Barbiturates?*
American Society of Anesthesiologists Annual Meeting – San Francisco, CA
- Clitoridectomy, Lineality, and Parental Investment.*
Department of Anthropology, University of California – Davis, CA
- 1986 *Do These Numbers Make Sense? Guidelines for the Non-Statistician.*
New York State Society of Anesthesiologists Postgraduate Assembly – New York, NY
- 1988 *Checking Statistical Inferences.*
Workshop in Anesthesia - Brookdale Hospital Medical Center – Brooklyn, NY
- Reading the Literature: Guidelines for the Non-Statistician.*
New York Medical College – Valhalla, NY
- Sociology and Psychopathology.*
Human Evolution & Behavior Society Annual Meeting – University of Michigan - Ann Arbor, MI

INVITED LECTURES (Continued)

- 1989 *Confidence Limits and When to Limit Confidence.*
 Department of Anesthesiology Lecture Series - L.I. Jewish Medical Center
 – New Hyde Park, NY
- Guidelines for Non-Statisticians.*
 New York State Society of Anesthesiologists Postgraduate Assembly – New York, NY
- 1990 *Guidelines for the Non-Statistician.*
 Workshop in Anesthesia - Brookdale Hospital Medical Center – Brooklyn, NY
- 1991 *Paraben Preservatives Do Not Cause Increased Intracranial Pressure in Cats.*
 American Society of Anesthesiologists Annual Meeting – Washington, DC
- 1992 *Statistical False Negatives.*
 Workshop in Anesthesia - Brookdale Hospital Medical Center – Brooklyn, NY
- 1993 *Prospects for Morality.*
 Human Behavior & Evolution Society Annual Meeting - SUNY – Binghamton, NY
- Cuckoldry, Seduction and Rape in the Torah, Talmud, and Midrash Rabbah.*
 Evolution & Human Behavior Seminar Series - University of Michigan – Ann Arbor, MI
- Statistical Anesthesia - A New Way to Put People to Sleep.*
 Workshop in Anesthesia - Brookdale Hospital Medical Center – Brooklyn, NY
- Propofol Elevates or Eliminates the Threshold for Lidocaine-Induced Seizures in Rats.*
 American Society of Anesthesiologists Annual Meeting – Washington, DC
- 1994 *Love Thy Neighbor: The Anatomy of In-Group Morality.*
 Biology Department, Amherst College – Amherst, MA
- Absence of Evidence is not Evidence of Absence.*
 Workshop in Anesthesia - Brookdale Hospital Medical Center – Brooklyn, NY
- 1995 *Nitrous Oxide Increases the Incidence of Emesis.*
 69th Annual Meeting of the International Anesthesia Research Society – Honolulu, HI
- A Light Unto the Nations: Judeo-Christianity, Morality, and Group Selection.*
 Plenary Address. Human Behavior & Evolution Society Annual Meeting – Santa
 Barbara, CA
- Type I Errors -- Statistical False Positive Inferences.*
 Workshop in Anesthesia - Brookdale Hospital Medical Center – Brooklyn, NY

INVITED LECTURES (Continued)

- 1996 *Research Development in Neuroanaesthesia: The Importance of the Question.*
11th World Congress of Anesthesiologists – Sydney, Australia.
- Prospects for Morality: God, Women, and Evolution.*
The Skeptics Society Annual Conference – Pasadena, CA
- 1997 *The Bible -- What Bill Moyers and the Chattering Class Won't Tell You.*
Biology Department, Amherst College – Amherst MA
- 2000 *Brain Care In The New Millennium: Will Anything Change?*
Second International Update on Neuro-Anesthesia & Neuro-Critical Care - EURO
NEURO 2000 – Genk, Belgium.
- Reading The Neuro Literature: Prospecting for Gold.*
Second International Update on Neuro-Anesthesia & Neuro-Critical Care, EURO
NEURO 2000 – Genk, Belgium.
- 2003 Humanity's Long-term Future Will Result From Intentional, Intelligent Human Design.
Humanity 3000 Seminar No. 4 – Foundation for the Future – Bellevue, WA.
- 2004 *Statistics: A Guide for the Perplexed.*
Refresher Course Lecture, American Society of Anesthesiologists Annual Meeting
– Las Vegas, NV.
- 2005 *False Positive Inferences and the State of the Literature.*
Columbia University College of Physicians & Surgeons – New York, New York
- Absence of Evidence Is Not Evidence of Absence: Statistical Power and the
State of the Literature.*
Nederlandse Vereniging Voor Anesthesiologie – Amsterdam, The Netherlands
- The Importance of the Question: A Lesson from La Belle Otero.*
Nederlandse Vereniging Voor Anesthesiologie – Amsterdam, The Netherlands
- The Importance of the Question: A Lesson from La Belle Otero.*
University of Utrecht – Utrecht, The Netherlands
- Statistics: When to Suspect a False Negative Inference.*
Refresher Course Lecture, American Society of Anesthesiologists Annual Meeting
– Atlanta, Georgia.
- 2007 *Statistics: False Positive Inferences and the State of the Literature.*
Long Island College Hospital, Brooklyn, New York.

INVITED LECTURES (Continued)

- 2008 *Bias, or Gambling on the Outcome: A Lesson from La Belle Otero.*
EURO NEURO 2008 — Maastricht, The Netherlands
- Be A Real Scientist — Take A Tip From La Belle Otero.*
New York University — New York, New York
- Think Confidence Intervals, Not Power Analysis After The Data Are In*
— an explanation using two recently published studies.
Society of Neurosurgical Anesthesia and Critical Care Annual Meeting
Orlando, Florida
